

## Professor Jeffrey Braithwaite

BA, MIR (Hons), MBA, DipLR, PhD, FAIM, FCHSM, FFPHRCP (UK), FAcSS (UK), Hon FRACMA, FAHMS

*Director, Centre for Healthcare Resilience and Implementation Science, Australian Institute of Health Innovation*

*Professor, Health Systems Research, Faculty of Medicine and Health Sciences, Macquarie University*

Professor Jeffrey Braithwaite is Foundation Director of the Australian Institute of Health Innovation, Director of the Centre for Healthcare Resilience and Implementation Science, and Professor of Health Systems Research, Faculty of Medicine and Health Sciences, Macquarie University, Sydney, Australia. He has appointments at six other universities internationally, and he is a board member and President Elect of the International Society for Quality in Health Care (ISQua) and consultant to the World Health Organisation (WHO).

His research examines the changing nature of health systems, which has attracted funding of more than AUD \$110 million. He is particularly interested in health care as a complex adaptive system and applying complexity science to health care problems.

Professor Braithwaite has contributed over 450 refereed publications, and has presented at international and national conferences on more than 900 occasions, including 90 keynote addresses. His research appears in journals such as The BMJ, The Lancet, JAMA, Social Science & Medicine, BMJ Quality and Safety, and the International Journal for Quality in Health Care. He has received 40 different national and international awards for his teaching and research.
