

**Location** Metro Toronto Convention Centre  
Room 206

**Date** September 28, 2016  
**Time** 8:30 a.m. - 4:30 p.m.

## Target Audience:

- This event has been designed to bring clinical and administrative leaders from Health Links, LHIN Health Links leaders and patients together to collaborate, develop and support strategic approaches in caring for patients with multiple conditions and complex needs.

## Objectives

This session will provide participants with:

- An orientation to the Innovative Practices endorsed by the Health Links Clinical Reference Group, and how to apply them within the Health Links approach to providing care
- An understanding of the Health Links approach and how it fits within the broader plans for Primary Care and Home Care
- Context for formal and informal networking, sharing and learning among Health Links
